COMPLAINT MECHANISM

A complaint is submitted trough specific form. After review completion, Google either blocks the app and forwards the complaint to the developer, or rejects it.

Timeframe: 1–2 months

The complaint is sent as a PDF to a regional email address. Comments may be requested, but less often than on other platforms.

Timeframe: ~1 month

The complaint is forwarded to the developer and the parties negotiate the mutually acceptable resolution. If the developer remains silent, Apple may block the app.

Timeframe: depends on the developer's response

Complaints are submitted trough special form. The platform reviews the case and typically requests comments before resolving the issue.

Timeframe: 1–2 weeks

The dispute is filed using DMCA form. After the platform's review, the game may be blocked, though the developer can still file a counter-notice to restore the game.

Timeframe: ~1 month

Complaints are submitted trough country-specific form. After review, Nintendo contacts the developer to either block the game or dismiss the claim.

Timeframe: 1–2 month
